

Branded Cable Tray Stamp

Overview

A vinyl sticker used for marking cable trays, ducts, and cable ladders. Are you looking for high-quality Cable Markers to identify and label your wires and cables?

Look no further than our extensive range, featuring top brands like our own RS PRO Cable Markers, HellermannTyton, Brady, Legrand and 3M. The wire and cable marking portfolio includes cable labels, self adhesive labels, cable markers, printable shrinkable sleeves and tubes, self-laminating cable labels, label dispensers, pre-printed cable. TE offers complete wiring identification and cable labels for a wide range of industries and applications. Designed for the most rigorous indoor or outdoor use, our portfolio of wire labeling and identification features flexible options including adhesive-backed wiring and cable labels. These markers are designed to allow you to label junctions, branches, and trays leading to equipment. The self-adhesive material conforms to the shape of your tray and are easily applied with minimal preparation. We will provide you with the right. Filter our cable labels based on their properties, including affixation methods and label type.
