

Cambodia s largest electrical distribution box manufacturer

Overview

Dhinimex delivers comprehensive electrical, water supply, and engineering solutions driven by innovation, quality, and a commitment to long-term impact. Over the past 20 years, Dhinimex Group has expanded into various industries. We offers the design, engineering, manufacturing, installation, testing and commissioning of high voltage ("HV") and extra high voltage ("EHV") substations, transmission lines, underground cables and equipment for build up of a fully integrated electricity transmission infrastructure. These are the associated brands and companies under the Dhinimex. For the sixth year, Forbes, in partnership with Statista, has compiled a list of the "World's Best Employers" after interviewing 150,000 people in 57 countries working in international companies and institutions. With high end solutions and hundreds of trained and qualified employees, we are serving various markets in Building, Manufacturing, Infrastructure, and Energy with both Medium and Low Voltage applications. Our commitment to. “ Koober provides complete solution for your main incoming power supply from the EDC network”. To meet specific project and client needs, we supply, design and manufacture solutions.
