

Latitude and Longitude Light Control Module

Overview

Power supply: AC220V 50Hz Working mode: Automatically adjust according to local latitude and longitude and seasonal changes Light on and off time Timing error: $\leq \pm 0$. HHQ16-A latitude and longitude street light controller is an upgraded version of HHQ16 type, on the basis of the original enhanced clock precision, 2-way midnight light off completely independent, regional control can be used globally, the use of the environment can be in minus 50 ° C at very low. The present invention discloses an intelligent longitude and latitude time control light-operated switch, comprising a lower shell, an upper shell, a power supply module, wiring ports, control buttons, a display screen, a longitude and latitude control module, a processing unit, a light-operated. 8-Loop/ 12-Loop 16A/20A/50A Latitude &Longitude Smart Lighting Module for Intelligent Lighting Control System Features & Functions ◇ Magnetic latching relay, the maximum working current of the loop is 50A◇ Built-in 220V switching power supply◇ Support latitude and longitude control and arbitrary. Upgrade your smart home with our RS485 light controller module, featuring intelligent time control and geo-location adaptability for versatile lighting solutions. Our company is committed to creating comfortable, artistic, safe and intelligent home appliance environment and professional, safe, reliable and efficient working electricity, industrial control and automation environment for customers in global emerging markets with cost-effective, efficient and.

Article Content

Delixi Electric-Longitude And Latitude Time Control Switch

It is suitable for AC 50Hz control circuit with a voltage 380V and below as a delay timing element to automatically adjust the control time based on the seasonal

4/6/8/12/16-way Smart Lighting Time Control Module

Buy 4/6/8/12/16-way Smart Lighting Time Control Module Latitude and Longitude Light Controller RS485 online today! Dear Sir/Madam, thank you for visiting our

HHQ16 intelligent Street light controller with longitude

HHQ16 intelligent Street light controller with longitude and latitude control time switch, Find Details and Price about Street light controller Street light switch from

Longitude and latitude intelligent time control switch

The longitude and latitude time control switch automatically calculates the time of sunrise and sunset according to the latitude and longitude of the location, and sets the timing on and off (such as

Intelligent Lighting Module Latitude and Longitude Time 4/6/8/12

Buy Intelligent Lighting Module Latitude and Longitude Time 4/6/8/12 Street Light Remote Control online today! Dear Sir/Madam, thank you for visiting our store! ☐☐ All parts are sold direct from

HHQ4-J Time switch (latitude and longitude) / Time

HHQ4-J time control switch (latitude and longitude) (hereinafter referred to as time control switch) adopts special timing chip and LCD liquid crystal display, which

Intelligent lighting control time control module 8/12 20A light control ...

Intelligent lighting control time control module 8/12 20A light control latitude and longitude timing remote controller RS485

4/6/8/12/16 intelligent lighting time control module latitude and ...

Buy 4/6/8/12/16 intelligent lighting time control module latitude and longitude light controller RS485 online today! Dear Sir/Madam, thank you for visiting our store! ☐☐ All parts are sold direct from the

CN104936363A

The present invention discloses an intelligent longitude and latitude time control light-operated switch, comprising a lower shell, an upper shell, a power supply module, wiring ports,...

4/6/8/12/16 intelligent lighting control module time control

Upgrade your smart home with our RS485 light controller module, featuring intelligent time control and geo-location adaptability for versatile lighting solutions.

Intelligent lighting time control module astronomical clock light ...

Intelligent lighting time control module astronomical clock light control longitude and latitude meter remote control switch controller automatically lights up when dark on sale, buy cheap Intelligent

Intelligent lighting time control module astronomical clock light ...

Brand: bei feng Electrical Model: BF-8L16AY The origin of: Mainland China Province: Zhejiang province Cities: Wenzhou city Color classification: 8-way time control light control latitude and longitude

DELIXI Latitude and longitude time control switch KGL2220 KGL2

Buy DELIXI Latitude and Longitude Time Control Switch KGL2220 KGL2 for AC220V systems. Automatically control lighting, HVAC, and more based on geographical time for energy savings and

Zhongbao Intelligent Lighting Control Timer Module Astronomical

Buy Zhongbao Intelligent Lighting Control Timer Module Astronomical Clock Latitude and Longitude Remote online today! Zhongbao Electric Co., Ltd. is one of the domestic electrical manufacturers

Intelligent lighting time module, latitude and longitude light control ...

Buy Intelligent lighting time module, latitude and longitude light control street lamp controller online today! Dear Sir/Madam, Thank you for visiting our store! ☐The quality of our products is original

Latitude And Longitude Street Light Controller HHQ16

The HHQ16 Series Latitude/Longitude Street Light Controller automatically adjusts on/off times based on location and season. Features solid-state outputs for

Intelligent lighting control module RS485 time control module latitude ...

Buy Intelligent lighting control module RS485 time control module latitude and longitude light control online today! Dear Sir/Madam, Thank you for visiting our store! ☐The quality of our products is

6-Circuit 8-Circuit Latitude & Longitude Electric Lighting ...

6-Circuit 8-Circuit Latitude & Longitude Electric Lighting Module 16A/20A/50A for Intelligent Lighting Control System

SDK-7 Astronomical Timer Switch

Automate your street lighting with the Hongguan SDK-7 Astronomical Timer Switch. This intelligent module controls lights based on latitude, longitude, and time, offering reliable and energy-efficient

Astronomical Timer Switch | Automatic Sunrise & Sunset

Are you tired of constantly adjusting timers based on seasonal changes or dealing with unreliable photocells? LETOP astronomical timer switches offer you an

Smart lighting longitude and latitude time control light control module ...

1. Product Features With timing/latitude and longitude time control/light control function/fire protection function LCD display, friendly man-machine interface Standard C A N protocol, RS485 protocol, LO

Yung controller GPRS wireless longitude and latitude

Buy Yung controller GPRS wireless longitude and latitude time control RS485 remote lighting module online today! Dear Valued Customer, We're thrilled to have you

Automatic Latitude and Longitude Astronomical Timer

Type LHC15W Working Voltage 100,110,115,120,127VAC 220,230,240VAC 12,24,36VDC Resistance Load Switch Capacity 25A 16A 25A Power

HHQ16-A Longitude and Latitude Street Light Controller

HHQ16-A Longitude and Latitude Street Light Controller, Find Details and Price about Control Switch Time control from HHQ16-A Longitude and Latitude Street Light Controller - Xinling Electrical Co.,

Intelligent control module system, latitude and longitude street lamp ...

Intelligent lighting control module system, latitude and longitude street lamp 220V centralized lighting controller, light controlled time controlled switch Selections 1)Intelligent : Intelligent lighting timing

LightLEEDer Programmable Lighting Control

LightLEEDer Programmable Lighting Control Models: LL04, LL08, LL16, LL24, LL32, LL40, LL48, LL56, LL64 The LightLEEDer programmable lighting control relay

Latitude And Longitude Street Light Controller HHQ16 Series

Power supply: AC220V 50Hz Working mode: Automatically adjust according to local latitude and longitude and seasonal changes Light on and off time Timing error:...

What Is a Lighting Control Module and How Does It Work?

Discover what a lighting control module is and how it enhances lighting systems for energy efficiency and convenience. Learn about its key features, benefits, and applications in smart homes and
